

Empowering your Spiritual Journey

The Empowerment Program

Here  Now  this Moment

On Certainty, Presence and Power

The following quotes are from David R. Hawkins, M.D. Ph.D. book, *Transcending the Levels of Consciousness: the Stairway to Which Nothing is Hidden*. This book has Richard's Five Star Recommendation, as does his first book, *Power vs. Force*.

*Although the journey to God begins with failure and doubt
it progresses into certainty.*

*When the person begins to desire or practice spiritual goals or
pursue spiritual information, the Presence is already
present in the form of willingness.*

*The spiritual student is often seeking to transform, overcome, or
slay the ego when all that is necessary is to abandon it.
The ego relies on force; the spirit influences by power.*

*Awareness knows that is not what you do but
what you are and what you have become that counts in the long run.
The ego sees success as gain and control.*

*Aware mind looks to fulfillment, completion, equanimity, and
the pleasure of peace and lovingness.*

*Surrender to God means to surrender control and
the secret satisfactions of the ego's positional ties.
Turn only to love...*
