

# To Empower Your Spiritual Journey

## The Empowerment Program

Here  Now  this Moment

*In the Empowerment Program, the Intelligence can locate, release and replace beliefs that are not currently supporting your current intention. A fundamental core belief can be removed in about 3 minutes.*

*~ Richard Alan, Empowering Your Spiritual Journey*

## Manifesting

**You're ready to manifest.**

You have the intent to make a difference, you know how and you have the passion. Perhaps it is a counter belief stopping you.

Old beliefs can be like a spider web holding you back. It is like you have been building what you want on an old foundation, based on beliefs not congruent on what you are now intending to creating. The old foundation does not match your new plans.

**Now is the time to clear your house** of anything that does not empower your spiritual journey. It is probably your past beliefs that are preventing you from manifesting what you want.

**In the Empowerment Program, the Intelligence can locate, release and replace beliefs** that are not currently supporting your current *intention*. A fundamental core belief can be removed in about 3 minutes.

*Miracles do not break the laws of nature;  
they are actually based on them.*

~Grand Master Choa Kok Sui

Once the bottom line program is replaced with a new 100% positive, life supporting program, then all the beliefs above it either clear on their own or can then be instantly cleared when addressed.

*No problem can be solved from the same level  
of consciousness that created it.”*

~ Einstein

**This needs to be circulated forever**

**Forward to Empower Others...**
